**THE POSITION**

The West Contra Costa Transportation Advisory Committee (WCCTAC) is currently recruiting for a Transportation Demand Management Assistant for its Transportation Demand Management (TDM) program. Under supervision of the TDM Program Manager, this position assists with the implementation of subregional transportation management programs serving west Contra Costa County. The WCCTAC TDM program provides service to the residents and commuters of the region in coordination with the Countywide TDM program known as 511 Contra Costa.

The Transportation Demand Management Assistant will develop and administer small TDM projects and events, and support other WCCTAC staff in the development, implementation, and management of a variety of TDM activities. The TDM Assistant will also participate in the development of public information and community involvement programs and projects, and employer/community outreach. Lastly they will review transportation demand management strategies used in other jurisdictions, compile and interpret data, and perform other related duties as assigned.

**QUALIFICATIONS**

- Knowledge and experience implementing transportation demand management strategies involving: bicycling, walking, transit, carpooling, and trip reduction programs with the goal of reducing vehicle miles traveled.
- Experience implementing effective promotional, public information, community outreach, and marketing efforts to change travel behavior with diverse audiences.
- Knowledge and experience applying the terminology, methods, techniques and resources used in implementing transportation demand management programs.
- Experience with program evaluation, including data collection procedures, methodology, and relevant software.

**SKILLS & ABILITIES**

Excellent communication skills as shown by the ability to communicate both orally and in writing with peers and contacts in the public and private sector. Work in this class is typically performed in an office setting involving computer and telephone use, although some work is performed in a field environment. Incumbents are required to work outdoors in most weather conditions and may work alone in remote locations within Contra Costa County. Significant time is spent in the field at events that have been planned, organized and set-up by TDM staff. Position requires physically moving event equipment and materials; requires the ability to lift up to 50 pounds. The TDM Assistant is required to attend evening and weekend activities throughout Contra Costa County.
