

## Environmental Planner IV

*Salary range: \$116,350 - \$141,388/year*

SFO seeks an experienced Environmental Planner to manage complex environmental planning projects and supervise planners, support staff, interns and consultants. Duties include: assisting with preparing project budgets and schedules; managing professional service contracts; analyzing and reviewing environmental impacts and mitigation measures; preparing reports related to special purpose environmental laws, environmental regulatory permits and mitigation projects; and other related duties. Position requirements: Bachelor's degree and 5 years of progressively responsible experience in the areas of planning, environmental review, or environmental law, with at least 4 years in environmental review or environmental law including management and scheduling experience. Also, 3 years of recent and verifiable experience in airport/aviation planning plus airport facilities planning, airport master planning, airfield/airspace planning, aviation demand forecasting, and environmental planning/permitting i.e. CEQA/NEPA, BCDC, Coastal Commission, USACOE, USFWS, RWQCB, and CDFW. Join the SFO team and contribute to our mission "to provide an exceptional Airport in service to our communities". [View official job posting for more details.](#)

### **About SFO:**

SFO is a world-class, award-winning airport that served more than 55 million guests in 2017. SFO offers non-stop flights to 45 international cities on 45 international carriers. The Bay Area's largest airport also connects non-stop with 83 U.S. cities on 13 domestic airlines. In fiscal year 16/17, the Airport, an enterprise department of the City & County of San Francisco, accounted for \$8.4 billion in business activity and supported over 42,800 direct jobs.

SFO's mission is to provide an exceptional airport in service to our communities and is committed to redefining air travel. SFO has embarked on the renovation of Terminal 1, the largest capital project in the Airport's \$7.3 billion Ascent Program. For more information, visit [www.flysfo.com](http://www.flysfo.com).
